**STATEMENT UNDER 37 C.F.R. § 1.497(d)(1)**

I, Mohammed Swaleh, am an inventor of the subject matter of one or more claims originally presented in International (PCT) Patent Application PCT/US04/38130. I am not an inventor of the subject matter of any of the claims entered by Preliminary Amendment on May 12, 2006 and Second Preliminary Amendment on November 22, 2006 and currently pending in U.S. Patent Application No. 10/579,513.

I hereby state that any error in inventorship in the international application occurred without deceptive intention on my part. I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Date: 25<sup>th</sup> OCT. 2007
